Options: Dallas Media Center can build a website from scratch, update your current site, or rescue your website from another hosting service or webmaster. Ask about which service is right for you.

Hosting:

Dallas Media provides hosting for \$10 per month. This includes unlimited domain emails that we will help you set up or forward to other email addresses.

Maintenance:

Dallas Media Center provides updates to the site as needed for \$75 per month depending on your needs. All changes and updates can be submitted to us via email. Changes are generally made within 36 hours. If on-going maintenance is not required, periodic updates may be made as needed for \$75 per hour.
